- PDF associated with every lesson: print it out, go over Scriptures and teachings after watching the video lesson and keep it in a folder or binder for future reference. The PDF notes are meant to be a help only, and are not a substitute for the teaching and deliverance ministry.
- Bible for study

Our Commitment

- Teach the Truth: share what we have learned and continue to learn. Learning the Truth for you as well as for us is a work in progress and a life long commitment. We take this very seriously
- Present our teachings in the most simple manner and in a way that is easy to understand
- Be a tool in God's hands and be used for gathering His children and bringing restoration to their lives
- Help and provide deliverance ministry at the end of our lessons and individual deliverance ministry by appointment, if needed
- Not be judgmental: you can bring any issue to us without fear, as long as you are willing to be honest with God and repent for your sins, we are here to help
- We take very seriously the responsibility of caring for God's children

Final Words

- Be aware that the enemy does not want you to be taught these insights and will try to keep you from them. Don't allow the enemy to continue to rule over your life. Don't be fearful. Trust God and give us a chance to share with you what God has taught us
- The Lord arranged for our paths to cross. Do not miss this opportunity to learn how to establish and build a relationship with God based on Truth and on the Principles of His Kingdom that we have learned and that we teach and apply every day to our lives, as we are committed to *Matthew 10:8* - *"Freely you have received, freely give"*
